

Narara Wyoming Cricket Club – Club Song

Note: the song can be preceded by the delivery of the following line by a chosen player to add a bit of extra punch!

“WHEEEEEEEERE DO WE COME FROM!?”

Then the team starts up:

Weeeeeeeeeeee come from down Narara where the Gavenlocks were born
We play tough cricket every week through rain, hail, shine or storm
The lion is our mascot and we have a mighty roar
Narara marches on

Glory, Glory to Narara
Glory, Glory to Narara
Glory, Glory to Narara
Narara marches on

We played the Griffons, Bunnies and we never gave an inch
The Mountain Men and Doylo, they don't really have our class
We played the boys from _____
And we smashed their bloody arse
Narara marches on

(Speeding up)

Glory, Glory to Narara
Glory, Glory to Narara
Glory, Glory to Narara
Narara marches on
